

## The PhD Talent Pool – een interuniversitair Job Teaser platform

### Flemish Universities company area

Welcome to the PhD Talent Pool Flanders.

A unique career platform that allows you to reach out to talent with a research background (PhD/postdoc) affiliated to the 5 Flemish universities.

You can easily create your company profile and put your job offers in the picture.

A PhD is not a requirement for your positions? Our PhD talent is of course also well equipped for positions at master level with a few years of professional experience. So, it is definitely worth announcing your job offers to this talent pool.

Busy today? Not all fields are mandatory. You can complete your company profile the next time you log in.
